## PROFESSIONAL SUMMARY

---

Five years building an AI startup from zero to BMW, Siemens, Bosch. \$5.5M+ raised. German-born, built companies in Munich, now based in New York. Bridging European technical founders with US venture. Currently in VC Lab (Decile Group, Cohort 6): building AI-focused fund thesis, deal sourcing, due diligence, portfolio construction, LP outreach.

## PROFESSIONAL EXPERIENCE

---

### Operating Founder Advisor & Startup Mentor

FREELANCE

2025 – present  
(U.S. & Germany)

*Hands-on founder support for venture readiness and institutional fundraising*

- Helped a company get accepted into **Y Combinator (W26)** as operating mentor
- Raised \$300K in initial capital for an early-stage startup post-engagement
- Term sheet advisory, due diligence organization, data room preparation
- US go-to-market strategy and business plan coaching for international founders

### Co-Founder & Chief Executive Officer | Chief Revenue Officer

[36ZERO VISION GMBH](#)

2019 – 2024  
Munich, Germany

*Cloud computer vision SaaS for manufacturing*

- **Fundraising:** Raised \$3.5M equity (Pre-Seed & Seed) from European & US investors + \$1.5M in non-dilutive grants.
- **Revenue Growth:** Grew annual contract value from \$240K to \$1.025M in one year (327%). 9% monthly pipeline growth.
- **Enterprise Sales:** Closed BMW, Siemens, Bosch, Magna, Linamar. Strategic partnerships with SAP, Bosch Rexroth, Siemens.
- **Product:** Led product from prototype to production-grade AI system deployed on automotive production lines.
- **Team & Leadership:** Built team from 0 to 15+. Board member. Keynote speaker at international industry conferences.

### Co-Founder & Consultant

DEUTSCHDATA GMBH

2017 – 2019  
Munich, Germany

*Prototyped and delivered applied AI solutions for international clients.*

- **Product Discovery & Validation:** Led product discovery and early customer validation to drive build/no-build decisions; translated needs into MVP scope and prototype delivery.
- **Business Development:** Owned client acquisition and commercial negotiations across enterprise engagements; won new projects through relationship-driven sales and delivery results.

**Other Experience:** BNP Paribas (Credit Risk ML), Celgene, BMW AG, BMW CA. Details on request.
